

March 23

John Muller, Chair
S.F. Bay Regional Water Board
1515 Clay St., Suite 1400
Oakland, CA. 94612

Dear Mr. Muller:

The SF Bay is filled with trash. It destroys recreation, impacts water quality, and kills marine wildlife. The Board's proposed permit would require cities and counties to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "hot spot"—this does not go far enough. Our precious Bay deserves the highest level of production—zero trash!

Sincerely,

A handwritten signature in cursive script, reading "Leslie Fleming". The signature is written in dark ink and is positioned above the printed name and address.
